CLAUSE 14. SUB-PROCESSORS AND THIRD-PARTY SUBCONTRACTORS

14.1 Authorization and Registry: Vendor covenants that it maintains an audited list of approved sub-processors. Vendor shall provide Customer with thirty (30) days prior written notice before onboarding any new sub-processor.

14.2 Pass-Through Auditing: Vendor shall conduct annual security reviews of all sub-processors possessing access to Customer data and make copies of sub-processor security attestations available to Customer upon request.

(NOTE FOR REVIEWER: Notice that this case upload contains NO sub-processor registry or third-party audit reports. Expected compliance status: UNVERIFIED.)
